

The ALLSTAR Series by **STARCRAFT BUS**

a division of Forest River, Inc.

Value-packed transportation

A sample Allstar interior, shown here with 25 passenger seating, overhead luggage rack and rear air conditioning.

Perimeter seating option with interior luggage rack.

There is a time when quality and integrity count. That time is when the reputation of your business and the safety of your customers are in your hands. That's why the Allstar Series of mid-size shuttle buses from Starcraft makes so much sense. With their steel skeleton cage and rock-solid construction, they deliver on the promise of quality, durability and safety. The Starcraft exclusive flat-wall design maximizes interior width, for the roomiest shoulder space and widest aisles in their class. A variety of floor plans, wheelchair accommodations and cargo options means the Allstar Series can be the foundation of your mid-size bus fleet. Don't gamble with your reputation, your business or the safety of your customers. Build your success with the Allstar Team from Starcraft.
